

12 September 1972

Dear General Goodpaster:

Many thanks for your kind invitation to attend the General Assembly Meeting at SHAPE on 30 September. Unfortunately, as I told Colonel Sittner, I cannot make it. I will be in Europe a little later and it would be hard for me to justify both trips so close together.

The fact that I cannot attend in no way lessens the warm memories I retain of SHAPE and the ten years I have spent at NATO.

With every good wish to Dossie and to you and with many thanks,

Faithfully,

Vernon A. Walters

I have received the following message from General Andrew J. Goodpaster, Supreme Allied Commander Europe, with his request that I pass it to you immediately:

"Dear Dick:

"Maureen Toomey, Secretary of the SHAPE Officers' Association, tells me that you have been contacted and may be planning on attending this year's General Assembly meeting at SHAPE on 30 September. Also General Horace Wade, our former Chief of Staff and currently Vice Chief of Staff of the U.S. Air Force, has just informed me that he will be coming from Washington and can accommodate several of my personal invitees (on a 'space available - no cost to the U.S.' basis) in his aircraft.

"I would hope that you can attend our 1972 General Assembly and that this offer by General Wade will facilitate your plans. He will be departing Andrews Air Force Base for Brussels on Thursday evening,

"If you can accept this invitation, please contact Colonel Sittner, the SHAPE Liaison Officer in The Pentagon who is serving as my and General Wade's focal point. He will provide you with invitational orders, additional information concerning trip arrangements, etc.

"I am sure you appreciate the fact that General Wade and I must have an early indication of your intentions in order that others may be invited in the event you decline. I do hope, however, that you will be able to attend. . . it will be good to have you here.
